

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

Designing a resume /CV
using canva

Can make elements of your resume such as keyword and job titles stand out to a hiring manager

I want to creat a canva account for resume,the structure, look and format of resume

Use a professional font ,big section heading, and a lot of white space

With canvas free resume builder, applying for your dream job is easy and fast

It shows the best resume format to use for your job

Construct and show knowledge, unlimited access to premium templet and assets

Canva is definitely a skill to add to your resume, design and creative skill

It saves time and effort in preparing your

A great CV design can really set you apart from the competition, and increase your chances of getting the job you want

The only time you should use a creative resume is if you are certain that employer prefer one and you are delivering it directly

Blog,enterprise, or business canva is not the best tool available to graphic designer

Chronological format is the most popular resume format and emphasize work history

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
